

MANAN JAIN

+91 9611221296 – Bengaluru, KA

[Email](#) – [LinkedIn](#) – [GitHub](#)

SUMMARY

Undergraduate developer focused on machine learning systems, algorithms, and backend engineering, with experience building reproducible ML pipelines and data-driven applications.

EDUCATION

The LNM Institute of Information Technology 2028
Relevant Coursework: Data Structures and Algorithms, Design and Analysis of Algorithms, Object-Oriented Programming, Database Management Systems.

Geetanjalli Olympiad School 2023
Class XII 88%

Delhi Public School, Bangalore East 2021
Class X 90%

SKILLS

Languages	Python, C, C++, Java, SQL
Technologies	FastAPI, PostgreSQL, scikit-learn, NumPy, pandas, NLTK
Tools	Git, Linux, VS Code

EXPERIENCE

Cybroz – Coding Club, LNMIIT Aug 2025 – Present
Open Source Developer Community

- Participate in open-source initiatives and developer events across campus.
- Contribute to awareness programs promoting collaborative development.
- Engage with student developers to encourage contributions and knowledge sharing.

PROJECTS

Mini-MLflow – ML Experiment Tracking Infrastructure [Link](#)
Built an MLflow-like experiment tracking system with FastAPI services, PostgreSQL storage, and a Python SDK to manage experiments, runs, parameters, metrics, and artifacts for reproducible ML workflows. *Tech: Python, FastAPI, PostgreSQL.*

Product Review Sentiment Analyzer [Link](#)
Built an NLP pipeline to classify product reviews into 2 sentiment classes using TF-IDF (10k features). Achieved 83% accuracy (F1 0.83) with Linear SVM, outperforming Random Forest. Implemented lemmatization, regex cleaning, and model serialization. *Tech: Python, scikit-learn, NLTK.*

Bangalore Housing Price Prediction [Link](#)
Developed regression models on a Kaggle dataset to predict housing prices with $R^2 = 0.87$. Performed feature engineering, outlier removal, and 5-fold cross-validation across multiple locations and property types. *Tech: Python, pandas, NumPy, scikit-learn.*

LEADERSHIP

PLINTH Tech Fest – Sponsorships & Team Lead

- Secured sponsor partnerships for a 10k+ footfall techno-management fest.
- Led a 30-member student team and coordinated sponsor outreach.
